SPECIAL

SPECIAL TAGS

+ **ENTANGLING:** When you *target a vulnerable foe* with this weapon, aim for the head or the feet.

If the feet, then on a hit, instead of inflicting harm, your target becomes entangled and falls.

They must take time to free themselves before moving.

If the head, then on a hit, mark wear and inflict 2-injury.

Buckler

Buckler

WEAR

3

SPECIAL TAGS

- + METAL RIM:** When you absorb injury as wear on this shield in close combat, you may mark an additional wear to immediately strike back with the edge of the shield and inflict injury.

*A small shield for parrying—
or quick punches.*

Caltrops

SPECIAL TAGS

+ **ENTANGLING:** When you *target a vulnerable foe* with this weapon, aim for the head or the feet.

If the feet, then on a hit, instead of inflicting harm, your target becomes entangled and falls. They must take time to free themselves before moving.

If the head, then on a hit, mark wear and inflict 2-injury.

Cleave

When you **cleave armored foes at close range**, mark exhaustion and roll with Might. On a hit, you smash through their defenses and equipment; inflict 3-wear. On a 7–9, you overextend your weapon or yourself: mark wear or end up in a bad spot, your choice.

SPECIAL

Engage in Melee

When you **engage an enemy in melee at close or intimate range**, roll with Might. On a hit, trade harm. On a 10+, pick 3. On a 7–9, pick 1.

- inflict serious (+1) harm
- suffer little (-1) harm
- shift your range one step
- impress, dismay, or frighten your foe

Disarm

When you **target an opponent's weapon with your strikes at close range**, roll with Finesse. On a hit, they have to mark 2-exhaustion or lose their weapon—it's well out of reach. On a 10+, they have to mark 3-exhaustion instead of 2.

SPECIAL

Engage in Melee

When you **engage an enemy in melee at close or intimate range**, roll with Might. On a hit, trade harm. On a 10+, pick 3. On a 7–9, pick 1.

- inflict serious (+1) harm
- suffer little (-1) harm
- shift your range one step
- impress, dismay, or frighten your foe

Parry

When you **try to parry the attacks of an enemy at close range**, mark exhaustion and roll with Finesse. On a hit, you consume their attention. On a 10+, all 3. On a 7–9, pick 1.

- you inflict morale or exhaustion (GM's choice)
- you disarm your opponent; their weapon is out of hand, but in reach
- you don't suffer any harm

SPECIAL

Engage in Melee

When you **engage an enemy in melee at close or intimate range**, roll with Might. On a hit, trade harm. On a 10+, pick 3. On a 7–9, pick 1.

- inflict serious (+1) harm
- suffer little (-1) harm
- shift your range one step
- impress, dismay, or frighten your foe

Vicious Strike

When you **viciously strike an opponent where they are weak at intimate or close range**, mark exhaustion and roll with Might. On a hit, they suffer serious (+1) harm and cannot mark wear on their armor to block it. On a 10+, you get away with the strike. On a 7–9, they score a blow against you as well.

SPECIAL

Engage in Melee

When you **engage an enemy in melee at close or intimate range**, roll with Might. On a hit, trade harm. On a 10+, pick 3. On a 7–9, pick 1.

- inflict serious (+1) harm
- suffer little (-1) harm
- shift your range one step
- impress, dismay, or frighten your foe

Confuse Senses

When you **throw something to confuse an opponent's senses at close or intimate range**, roll with Finesse.

On a hit, you've thrown them off balance, blinded them, deafened them, or confused them, and given yourself an opportunity. On a 10+, they have to take some time to get their bearings and restore their senses before they can act clearly again. On a 7–9, you have just a few moments.

SPECIAL

Grapple an Enemy

When you **grapple with an enemy at intimate range**, roll with Might.

On a hit, you choose simultaneously.

Continue making choices until someone disengages, falls unconscious, or dies.

On a 10+, you make one choice first, before beginning to make simultaneous choices.

- you strike a fast blow; inflict injury
- you wear them down; they mark exhaustion
- you exploit weakness; mark exhaustion to inflict 2-injury
- you withdraw; disengage to close range

Improvise a Weapon

When you **make a weapon out of improvised materials around you**, roll with Cunning. On a hit, you make a weapon; the GM will tell you its range tag and at least one other beneficial tag based on the materials you used. On a 7–9, the weapon also has a weakness tag.

SPECIAL

Grapple an Enemy

When you **grapple with an enemy at intimate range**, roll with Might.

On a hit, you choose simultaneously.

Continue making choices until someone disengages, falls unconscious, or dies.

On a 10+, you make one choice first, before beginning to make simultaneous choices.

- you strike a fast blow; inflict injury
- you wear them down; they mark exhaustion
- you exploit weakness; mark exhaustion to inflict 2-injury
- you withdraw; disengage to close range

Storm a Group

When you **storm a group of foes in melee**, mark exhaustion and roll with Might. On a hit, trade harm. On a 10+, choose 2. On a 7–9, choose 1.

- you show them up; you inflict 2-morale
- you keep them off balance and confused; you inflict 2-exhaustion
- you avoid their blows to the best of your ability; you suffer little (-1) harm
- you use them against each other; mark exhaustion again and they inflict their harm against themselves

Grapple an Enemy

When you **grapple with an enemy at intimate range**, roll with Might.

On a hit, you choose simultaneously.

Continue making choices until someone disengages, falls unconscious, or dies.

On a 10+, you make one choice first, before beginning to make simultaneous choices.

- you strike a fast blow; inflict injury
- you wear them down; they mark exhaustion
- you exploit weakness; mark exhaustion to inflict 2-injury
- you withdraw; disengage to close range

Harry a Group

When you **harry a group of enemies at far range**, mark wear and roll with Cunning. On a 10+, both. On a 7–9, choose 1.

- inflict 2-morale
- they are pinned or blocked

SPECIAL

Target Someone

When you **target a vulnerable foe at far range**, roll with Finesse. On a hit, you inflict injury. On a 10+, you can strike again before they get to cover—inflict injury again—or keep your position hidden, your choice.

Quick Shot

When you **fire a snap shot at an enemy at close range**, roll with Luck. On a hit, inflict injury. On a 7–9, choose 1. On a 10+, choose 2.

- you don't mark wear
- you don't mark exhaustion
- you move quickly and change your position (and, if you choose, range)
- you keep your target at bay—they don't move

SPECIAL

Target Someone

When you **target a vulnerable foe at far range**, roll with Finesse. On a hit, you inflict injury. On a 10+, you can strike again before they get to cover—inflict injury again—or keep your position hidden, your choice.

Trick Shot

When you **fire a clever shot designed to take advantage of the environment at any range**, mark wear and roll with Finesse. On a 7–9, choose 2. On a 10+, choose 3.

- your shot lands in any target of your choice within range, even if it's behind cover or hidden (inflicting injury or wear if appropriate)
- your shot strikes a second available target of your choice
- your shot cuts something, breaks something, or knocks something over, your choice
- your shot distracts an opponent and provides an opportunity

Target Someone

When you **target a vulnerable foe at far range**, roll with Finesse. On a hit, you inflict injury. On a 10+, you can strike again before they get to cover—inflict injury again—or keep your position hidden, your choice.
